Welcome!

Every year, hundreds of students, interns and young professionals call 92NY Residence their home. One of the goals of 92NY Residence is to bring people together from different backgrounds and give them the opportunity to live well with one another. We believe that by living with other people, we will grow as individuals and grow as a society.

Living together in a community is exciting. This guide is intended to answer any questions or concerns you may have before your scheduled move-in date and while you are residing with us. We want you to contribute and make the effort by following these guidelines and ensure that a pleasant living environment will be achieved, maintained and enjoyed by everyone within the community. We please ask that you read through these guidelines and policies carefully, and know that we are available on-site for any support that you may need.

92NY Residence is a home like no other. Not only will you be living here, but you will become part of 92NY—a vibrant community that shares the love of culture, fun, New York City and, most of all, people.

We look forward to welcoming you in the coming days to 92NY Residence and to the broader 92nd Street Y community!

RESIDENCE COMMUNITY

OUR 92NY RESIDENCE COMMUNITY

Living in a community

One of the goals of 92NY Residence is to bring people together from different backgrounds and give them the opportunity to live well with one another.

Living together in a community is both exciting and challenging. We want you to contribute and make the effort by following these guidelines to ensure that a pleasant living environment will be achieved, maintained and enjoyed for this, your particular community.

- ▷ Please make an effort to keep your room free of trash. Trash bags are provided. Each floor has a resident cleaning supply closet with brooms, dustpans and Swiffer mops. Residents should bring Swiffer wet pads to mop their rooms and a basic multi-purpose cleaner. Please return them after each use so your fellow floormates can use them as well.
- ▷ Because we are all using the same Wi-Fi network, it would be helpful if you disconnected some of your devices when they aren't being used. Remember, even if you aren't "using" your iPhone, it is still drawing bandwidth from other people.
- ▷ Be aware of your noise level within your room. Our Quiet Hours are Sunday-Thursday 10pm to 10am and Friday to Saturdays 11pm to 11am.
- ▷ Clean up after using the kitchen; please leave the sink and counter ready for use.
- ▷ If you have a question or maintenance request, or if you need help on how to maneuver around New York City, come talk to us. You are always welcome to stop into the Residence Office and speak with us, or you can send us an email at 92NYResidence@92NY.org. If you have a question or issue when our office is closed, you can contact security for assistance at **212.415.5592**.

If you ever have an issue, please know that you are always welcome to come and speak with us in the office or send us an email. Our Residence staff is here to help you.

Experiencing these in person is one of the great joys of living in New York City. These are the ways for you to access tickets without paying full-price.

Residents are offered complimentary or specially discounted tickets. Check your email for Weekly Newsletters from 92NY Residence staff and join our Facebook group, Instagram page and Discord a messaging & social platform.

If there is an event you would like to attend that does not have one of the above discounts attached to it, email 92NYResidence@92NY.org, who will inquire about availability on your behalf.

Please note: as it gets closer to the date of an event, demand increases and fewer seats (and discounts) are available. We strongly suggest buying or requesting tickets as far in advance as possible.

- △ All kitchens are outfitted with a microwave, toaster, and an oven for your use.
- △ Please clean up after use.
- △ We provide dish soap for your convenience.
- △ Please do not leave any items for donation in kitchen or dining rooms.
- △ Immediately report any issues such as a need for refilling the dish soap.
- △ Please store nonperishable items in your room.
- △ Any dirty dishes left in the kitchen can be discarded at any time by 92NY staff. Residents are expected to wash, towel dry and then return their dishes to their room for storage.
- △ 92NY Residence is not responsible for any items left in common areas.
- △ Residents are required to store their food in a bag or container. Residents must place and maintain a label on their food storage bags or containers. Labels are provided to residents, and they can be found in the kitchen area or at the Residence Office. Labels should clearly state their name, room number, date and your departure date. Any food without a label is subject to be discarded without reimbursement.

Mixed-use rooms

Mixed-use rooms are a great resident resource. You may want to host a game night with your fellow resident, or you may need a room for a large group study session. Speak to your Resident Liaison about approved uses and availability.

Bathroom and shower areas

These areas are maintained daily by our dedicated building services staff. Any items left in these areas are brought to the Residence Office.

- ▷ Please do not leave your bath products in the bathrooms or in the shower area.
- ▷ Please remember after you flush to take a moment to ensure everything is gone.
- ▷ Remember that your voice carries much farther than just the walls of your shower. Please be aware of the time of day if you enjoy singing in the shower.
- ▷ 92NY Residence is not responsible for any items left in common areas.

Lockouts

It is your responsibility to carry your room key with you at all times. If you are locked out of your room:

- △ During office hours the Residence Office handles all lockouts.
- △ A temporary room key will be issued, and residents will be required to return this key.
- △ Failure to return the key will result in a key replacement charge of \$25.
- △ For lockouts after the office is closed, residents must contact Security. You may be asked to provide ID before or after you are given entry.

If you are locked out and not properly dressed, you do not need to go to the Office or Security for assistance. In these cases, you should utilize the house phones to report your lockout by contacting Security or the 92NY Residence Office by dialing the last four digits of the main number.

Security: 212.415.5592 | 92NY Residence Office: 212.415.5660

House phones in the North Building are located at one end of the main hallway and in the South Building in the middle of each main hallway.

Guest policy

The 92NY Residence has specific policies and procedures for day and overnight guests.

General polices governing all guests:

- △ All guests must be 18 years of age or older and have a valid picture ID to enter the residence.
- △ Guests cannot be in the building without the resident host, and must be accompanied by the host at all times.
- △ Resident hosts must ensure that all guests abide by the rules and regulations of the Residence. Guests who violate 92NY Residence policy will be asked to leave and may be banned from entering again. Resident hosts will be held responsible for any violation of our policies by their guests.

Day Guests

Day guests are permitted within the residence during the following times:

Sun–Thu: 10 am–11 pm Fri–Sat: 10 am–2 am

You are only permitted to sign in two day guests per visit. You may sign in two day guests multiple times during the same day. For example, if you sign in two day guests at 2 pm, when they leave you may sign in two new day guests.

Guards will not allow a guest into the building unless they are signed in by the resident host. The guest must be accompanied by their resident host while signing in at the security desk. Guest will be asked to provide and leave a current valid form of identification (driver’s license or school ID) with security.

Upon departure, the resident must accompany their guest to the Security Desk. The resident is responsible for the guest signing out, retrieving the IDs from the guard and ensuring their guest leaves the premises.

Overnight Guests:

You are only permitted to host one overnight guest at a time. 92NY Residence is not intended as a facility for transient guests. Only the residents who have gone through the admissions process and have been accepted may stay in the residence for an extended period of time. Residents may not “pass” a guest between themselves in order for a guest to have an extended stay. This is for the security and protection of all and avoids additional burdens to the facilities.

- △ An overnight guest-pass request must be submitted during our office hours only
- △ Arrangements must be made prior to our closing for a holiday if you wish to have an overnight guest when the office is closed. Please plan accordingly.
- △ A guest pass can be obtained in person at the Residence Office or by filling out a guest-pass request form at **92ny.org/residence/current-residents**.

Guest w/o Bed & Linens (per night)	Guest with Bed & linens (per night)
\$15 for nights 1, 2 & 3	\$25 for nights 1, 2 & 3
\$35 for nights 4, 5 & 6	\$45 for nights 4 – 6
\$50 for 7 nights +	\$60 for 7 nights +

- △ Residents are permitted guest stays for one guest, for a maximum of four nights within a seven-day period.
- △ Requests to have an extended guest stay five to seven nights beyond the four-night maximum requires approval from the Residence Office.
- △ If you have a roommate, you MUST have their written permission for your guest prior to your guest’s arrival.
- △ You may request a rollaway guest bed and linens (as available). A bed must be requested no later than 3:30 pm the day of your guest arrival.
- △ Residents in double rooms are allowed one overnight guest each at the same time.

△ A resident is allowed one overnight guest at a time for a maximum of four nights within a seven-day period and each seven-day period begins seven days after the last night of their last overnight guest. For example, if you have a guest stay from Jan 1 to Jan 5, the next time you can have an overnight guest would be on Jan 12 (seven days after Jan 5).

△ After you submit your guest-pass form and payment has been processed, you may pick up your guest pass the day of your guest's arrival at the 92NY Residence office after 12 pm. Any guest passes that are not picked up before the office closes will be left at the Security Desk in the north building lobby.

Unexpected Guests:

△ An unexpected guest (guest who stays without the required guest pass) will be charged \$30 per night. If a day guest is still signed into the building Sun-Thurs after 12 am or Fri-Sat after 2 am they are considered an unexpected guest. The guest must sign in at the Security Desk and leave a valid ID.

△ If you are in a double room and have an unexpected guest, you will be charged \$35 as a penalty for not receiving pre-approval from your roommate. (You will be at risk of losing your guest privileges if this happens.)

These procedures and policies have been designed to ensure the security of the 92NY Residence. Failure to comply with them may result in the loss of guest privileges and may jeopardize your stay.

Credit card incidental form

If you choose the option of filling out a guest pass request online, the only way we can process your request is if you have filled out a Credit Card Incidental Form. The forms can be picked up at the Residence Office or submitted at **92NY.org/Residence**. If you need the form emailed to you, please contact us at **92NYResidence@92NY.org**. The credit card must be under your name. If the card is under someone else's name, then that person must sign the form. Every time you fill out a guest pass online, you have given us authorization to automatically charge the credit card listed on your CCI Form. This form is also used to cover lost key and ID fees and other incidentals during your stay.

Disciplinary procedure

92NY Residence staff will address alleged violations of the resident policies and terms. If your residency is through a school or other program, you may be subject to additional sanctions through your school or program's disciplinary system.

Below are samples of sanctions a resident may receive when violating 92NY policies and terms:

Rules and regulations

You are required to sign a copy of the rules and regulations prior to check-in or upon your arrival at the Residence. You and 92NY share a mutual responsibility to ensure a dignified, respectable and constructive experience in group living. We do our best to provide a congenial, comfortable and cultural atmosphere, and we expect you to cooperate by helping us to achieve and maintain these standards. To help you become fully aware of the procedures and the regulations, please read the following sections carefully:

- 1 The minimum residence is one month. The maximum residence is one year, with some exceptions.
- 2 No other person may use your room or any other bed in your room without the prior written consent of the Residence Office. You cannot sublet or assign the rights to your room.
- 3 Residents of double rooms must not occupy or intrude upon the other half of the room, or else they will be charged for use of both halves.
- 4 Room keys must not be duplicated or replaced by residents, nor may they be loaned to anyone else, including friends, guests or other residents.
- 5 No furniture other than that supplied by 92NY may be brought into the room. The existing room furniture may be moved from its present position but must be put back to its original configuration before your departure.
- 6 Nothing may be painted on the walls. Masking tape may be used on walls, but never cellophane or double-sided tape. The cost of any damage to the walls, floors or furnishings caused by the resident, or his/her guest, will be paid by the resident.

Prohibited items

92NY Residence makes a concerted effort to comply with state health and fire safety standards. 92NY Residence reserves the right to ask residents to remove any items that are not listed but are deemed to be a fire or health and safety hazard by the 92NY Residence Office and/or 92NY Security. 92NY Residence reserves the right to confiscate prohibited items until the resident can make arrangements for their removal or until the resident's departure.

Room checks

A health and safety check of a resident's room may occur at any time. If a resident's room is not up to health and safety standards the resident will be asked to correct the issue within a designated time frame. If the resident fails to comply with correcting the issue, they may be subject to removal from the residence. Failure of a Health and Safety inspection is the result of but not limited to: excessive garbage, possession of prohibited item(s), an excessive amount of belongings, or odors emitting from the room.

Fire safety procedures

92NY Residence is committed to providing a safe environment for the entire community. This includes a full fire-notification/alarm system and a full-time Fire Safety Director. The Fire Safety Director is stationed at our fire command center and is on-site 24 hours a day, seven days a week.

For your safety, there are fire extinguishers located on every resident floor as well as carbon monoxide detectors in the main hallways. Every resident room has a sprinkler system and a smoke detector. Residents are provided with the Fire Safety Evacuation Plan for their location behind their room doors.

It is important that you know the location of these fire safety devices and immediately report any device that has been tampered with or needs repair. Remember, fire safety is everyone's business, and together we can lessen the threat of fire. Tampering with a fire safety device (including covering a smoke detector) is against 92NY Residence policy and will result in your removal from the residence.

Fire drills are conducted quarterly every year, including a full evacuation.

Residents may not receive advanced notification as to when the fire drills will take place. At the start of a fire drill, the Fire Safety Director will inform residents a fire drill will be taking place. 92NY Residence requires occupants to evacuate only as directed by the building's Fire Safety Director.

In the event of a fire alarm activation:

- △ All floors/areas will receive an alert signal, and occupants should stand by for further instructions given by the Fire Safety Director.
- △ At all times, Residents should follow the Fire Safety Director's directions and procedures.

Extermination and pests

At 92NY Residence we take pest control very seriously, and we stay proactive. We have listed some of the issues that are common in the city and the ways that we are addressing them.

Here are some things you should know about bed bugs:

- ▷ If you get bed bugs, it isn't because you are "dirty;" it is simply because you were in an area where bed bugs had been. Bed bugs are much like hitchhikers in that they don't care who picks them up!
- ▷ Bed bugs do not carry disease.

What we do at 92NY Residence to prevent bed bugs and their spread:

- ▷ Every mattress either has a special encasement that prevents the infestation of bed bugs or is made of a special material to prevent bed bug infiltration. If you see that your mattress cover is torn or ripped, please let the Residence Office know immediately.
- ▷ Multiple times a year, a specially trained dog comes into our building and "sniffs" every room to look for traces of bed bugs. The process isn't perfect, and if the dog identifies your room as "active," it doesn't necessarily mean your room actually has bed bugs.
- ▷ We will take immediate action to treat those rooms where evidence of bed bug existence is detected.
- ▷ If at any time it is confirmed your room is positive for bed bugs, you will receive information regarding treatment procedures.

Pest prevention

- ▷ We have an exterminating company that goes through the residence twice a week. If you see something, please let the Residence Office know so that we can direct our pest control specialists to that specific area.

If you have any questions, please feel free to contact anyone in our office. We are doing all that we can to make your experience here at 92NY Residence safe, clean and enjoyable. If you have any questions, please contact us at **212.415.5660** or **92NYResidence@92NY.org**.
